REFERENCE:  Letter Proposal dated 22 March 1960
and "General Cost Analysis"

Dear Sir:

The following is provided you for augmentation of previous proposal information submitted by our firm. The information herein, together with Attachments "A" and "B" outline:

1. A description of the amount of professional services and/or labor currently estimated and available for Tasks I, II and III; these are submitted on a "man-month" basis for costing purposes and on an "as assigned" one year (12 calendar months) basis for commitment purposes to you for work required and/or to be accomplished.
2. Breakdowns on Tasks I, II and III, per Attachment "A", also provide estimates for "travel", "overhead", General and Administration Costs, and allocable fees to contractor.
3. A summation for the current cost estimates for these (3) Tasks or for others which may be assigned or substituted in lieu of these (all or in part), in the amount estimated for a 12 months
